Meezan-ul-Haq

Medical Biller & Full RCM Specialist

DHA, Rawalpindi, Pakistan | +92 309 9329091

meezanulhaq.billing@gmail.com

PROFESSIONAL PROFILE

Medical billing specialist supporting US healthcare providers, clinics, and billing agencies with end-to-end Revenue Cycle Management (RCM). A structured, detail-focused approach to claim submissions, payment posting, denial resolution, and accounts receivable follow-up.

CORE SERVICES

Eligibility & Verification of Benefits

Coverage checks, VOB, and prior authorization coordination.

Medical Coding, Charge Entry & Claim Submission

Accurate coding and clean CMS-1500 / UB-04 claim submissions.

Payment Posting & Reconciliation

Electronic and manual payment posting; ERA / EOB reconciliation.

Denial Management & Appeals

Root cause analysis, claim corrections, and timely appeals.

Accounts Receivable Follow-Up

Prioritized payer follow-up for 30-, 60-, and 90+ day aging.

Financial Reporting & Practice Analytics

Billing activity, aging trends, and practice performance reporting.

EHR / PRACTICE MANAGEMENT & PAYER TOOLS

SimplePractice | AdvancedMD | Availity | Change Healthcare | NaviNet | Medicare and Medicaid portals

Precision. Consistent follow-through. Clear communication.
